Shridath has represented Anguilla and the region in Cricket. He played for the Leeward Islands under 15 squad and also represented Anguilla in the Stanford 20/20 tournament at the age of 17. His love for sports has shown throughout the years. Shridath loved playing tennis at a very young age. He attended the summer tennis camps growing up and was also awarded most promising peewee at the age of 11.

During his university degree's tenure, Shridath focused more on Brand Management and Project Management. He wrote his thesis on the state of the National Football League's brand in the UK, as well as orchestrating events for the university's cricket club and pre events for the popular Derby 5k marathon. His love for sports and hospitality has always shown over the years, from his days at Viceroy Anguilla until now, where he was most recently the assistant manager of a very popular pub in Manchester.

Shridath's love for home and his family and friends is what he cares about the most. Shridath has agreed to come back home where he loves and misses and join the Anguilla Tennis Academy as the Director of Adult Tennis Programs and Chief Marketing Officer. We welcome Shridath to our team and are excited with what he has in store for us going forward.
